

To all foreign nationals living in Kagoshima Prefecture:
Do you want to try a traditional Japanese tea experience?

Tea Gathering for Friendship and Unity (Urasenke, Wago-no-chakai)

Applications will open from 15th October.

The Kagoshima International Exchange Tea Ceremony will be held again this year, sponsored by Yonemori Construction Co., Ltd. and co-sponsored by the Japan-Vietnam Tea Ceremony Cultural Exchange Association and others.

This tea ceremony follows the spirit of *Wago-no-chakai* (Tea Gathering for Friendship and Unity) which is the movement started by Urasenke Daisoushou (the once grand master of the Urasenke school of Japanese tea) in Okinawa, Amami and Kagoshima.

This event aims to introduce tea ceremony culture and the spirit of harmony to Vietnamese people and other all foreign nationalities.

How about an afternoon experiencing the traditional Japanese culture of tea ceremony?
